Vicki Fibel Penzell . Dear Darene, It feels like years but it has only been 10 months. And yet that is still to long. I still love you the same as if you were still here with me, laughing during the good times and crying during the bad ones. I miss being able to to call you any timed spend hours talking about everything under the sun. I thank you for being my best friend and my hero. Those months when you were living with us were the gift I will treasure forever. Every word tear and smile is embedded in my mind. Mom and dad were looking down and smiling at our love for one another. Until we meet again. Love forever and a day. Vicki
