Written by: Amy JaffeyHi, dad: I've been watching some old video of us singing together, and it's been beautiful, but painful. I still miss you every day, your positivity, zest for life, sharp mind, love of singing and dancing, and your warmth. Until we see each other again.My love always,Amy

Dad, I just celebrated my first Thanksgiving without you in this world. Although I am thankful you are no longer suffering, I miss you every day. So much. Your smiling eyes, the feel of your hand, the sound of your voice. Oh, how I miss you saying my name, hearing the warmth in your words, and singing with you over the phone. I pray you are with Bubbe and Zadie, as well as Aunt Val and Uncle Goody, and that you are all playing the piano, singing together, and filled with joy. I will always love you.Amy
