Dr Altschuler would come into the room and smile which would lite up the room, ask you some questions, look at the test results, adjust my meds and say you are doing well, keep doing what you are doing and see you in 6 months, but last time he said see you in a year. I WILL MISS HIM. RIP

I am a pharmacy school classmate of Harold's. He was such a fun guy, got along with everybody. He was our school ping pong champ, virtually unbeatable. May God bless him and his family. Jim Beatty

I just heard that Harold has passed. He was a great doctor, and friend. I had a personal and business relationship with him for many years. There aren't many people as smart, professional, honest and caring as he was. He would always be there to help you.
