Diane...so shocked to read the paper today...Sept. 20th....I would have been there, and am still in shock..We have not been in touch in a long while...Ken's devotion to the hotel business...and to his friends...a true friend, and a smart marketing person.... He loved his work, and he loved you...he loved his family...and I am so sorry this terrible illness came to him...He was so kind to me, when my Father was going thru this...and I know he feared it...My thoughts are wth you Diane, and the whole family, please call me when you are up to it...my husband Ken has been ill...and life is not the same...I would love to hear from you...Ken Benjamin gave everything he did with passion...I can't express enough how I will always think of him, and some of the good times we all shared...Marsha Howard and Ken....2015 Sept. 20 2015
