After only two visits, things were already on a great upswing for me. I spoke with Dr. King on the 14th before I went to Brazil and returned home the 31st only to find out this very unfortunate news today, June 3rd. I don't know too much about Mr. King but he did so much for me in so little time. I am thankful I got a chance to be graced with his presence and that my 1 year old baby boy did as well. You will be missed Dr. My condolences to the immediate and extended family. To Mrs King- thank you for being so kind in such a tough time to take 10 minutes, speak with me and even suggest recovery plans to move forward with regarding my treatment. You are a very strong, very kind woman. Please, to all of Dr. King's family, keep your heads high in this difficult time. I am deeply sorry for your loss and I myself am deeply saddened. Rest Peacefully, Warren- Michael C
