Dad , As another passing Father's Day goes by...I truly miss hearing your voice calling me "Cookie" and laughter that use to be contagious & when you gave your own Birthday cake a Bris. Happy Father's Day up in heaven. I love you & miss you...and will always keep your memory alive forever...

Dad – You never said, "I'm leaving, "You never said, goodbye", You were gone before I knew it, & only God knew why...A million times I needed you...A million times, I cried...If my love for you could have saved you...You never would have died...In life I loved you dearly...In death I loved you still...In my heart you hold a place, that no one could ever fill...It broke my heart to lose you...But you didn't go alone...For part of me went with you...The day God took you home...I miss you & I love you "Happy Father's Day Dad"...The memories of you will always be engraved in my heart now and forever...
