**Gwen Siegel**

**Lauren Gilman** posted:

Gwen and I met 28 years ago when she was living in New Jersey. We became instant friends. She displayed confidence, had a great sense of humor, and was a successful businesswoman. Gwen became a part of my life. We shared our thoughts and feelings like sisters. I have so many memories of the times we spent together in New Jersey and Florida. My children thought of her as family. She was a caring daughter to her parents. She was there for them when they needed her. I will always have a special place in my heart for a very special friend. I hope Gwen is at peace in Heaven and finally out of the pain she had suffered . Rest in peace, Gwen.
