Sorry Doc to see you go! I know you suffered in your last years. It was so sad to see you in pain. Thank you for the many years of caring and concern for me. I also only found out about Dr. Deutscher's passing over the last two days. It hit me very hard, and I regret possibly being one of the last to know. I definitely wanted to be there for him the one last time to pay my respects for who he was to me, and what a good person as a caring and compassionate Dr. and person as well! I will definitely miss you Doc! Love and respect and condolences to the Deutscher family! Lewis Kovit

I will greatly miss Dr. Deutscher. He was more than a doctor – he was the warmest, most caring individual. His patients are all devastated by his passing, and I know that no one can take his place. RIP Dr. D

He will be dearly missed. They don't make doctors like him. He was caring and had that sarcastic personality. Since I did not find out until yesterday I am sorry I did not get my chance to say goodbye. So long my friend as we shall meet again. Renee Sherman Johnson

Dr. Deutscher was not only my Dr. but also my friend. I was floored today when I heard of his passing. He has helped me improve my disabilities over the last 6 years and I will always remember how he would say to me how he remembered me not being able to function and how I have improved. His advocacy for the disabled and his sincerity helped me move ahead when, at times, I felt I could not. He shared his past struggles with me and I know he had a struggle as well. His spirit, encouragement, and love for all that he did for me and others will live on for me forever as well as others like me. All my best to his family and friends. Sincerely, stu Silverman
