I love you Mom. I will miss your amazing smile. I hope, so much, for you to have peace, Scott, Tristan and Taylor love you so much and will always remember you with hearts full of love. I am wearing the heart. I have not taken it off for over a year. I kiss it every day and talk to you. I hope that you can hear me. You will ALWAYS be with us. Love you forever... Allyson

I will miss your smile and glow in the days when you were happiest, and the discussions of "Our world as Taureans". I thank you for letting me into your life and family. I also thank you for your generosity and kindness in those years. I am most grateful to you for giving birth to your daughter, my loving wife and mother of our sons. Were it not for her, my life would be incomplete. Rest now, I will never forget you.

Felice was like a diamond — beautiful, sparkly, multi-faceted and tough. She not only gave my parents the gift of her undying friendship, she gave me her daughter so that I could have a forever best friend to cherish too! Heartfelt sympathies to Allyson, Scott, Tristan & Taylor.
