Nanny, I am still in complete shock that you were taken from us so suddenly. However, I know you will always be looking down upon all of us, guiding us on the pursuit of happiness. I will never forget the happy times we have spent together. The impact you have made on my life is apparent, as I always aim to follow in your footsteps and always do the right thing by people. You have lived a beautiful life here on Earth, but will live an even greater one up in Heaven. Say hello to Grandpa and Ronnie for me. I hope you all are enjoying your stuffed cabbage and are all dancing once again! WE MISS YOU SO MUCH! You may be gone from us, but you will never be forgotten. WE LOVE YOUUUUUUUU NAN! But we know you will always love us DOUBLE! Until we meet again, just as you always ended our conversations and our visits together, Zy Gazunt Nan!
