I was lucky enough to have worked with Jere for two years buying logs for the sawmill, Jere was honest, hardworking, hilarious, loud and insightful. Some memories I have are seeing Jere in the office working with a little old lady about her water bill in the morning, and at lunch discussing a skateboard park with teenagers, he truly wanted to reach out and help anyone he could for the greater good of the community. His typewriter next to his computer was a testament to him adjusting to modernization the way only Jere could, on my desk I could find Jere old school e-mail in the form of hand typed little notes, and at the same time a detailed timber cruise report that he worked up with a custom program he had written for his computer. I learned so much about how I wanted to conduct my life and deal with people from my short time with Jere, he was a great man. We are praying for you Madeleine and the family over this sad loss.
