Laughing, talking . Remembering eating liver, onions, carrots, and potatoes and thinking who else would eat that. Long telephone conversations together and never complaining about your pain and discomfort so as to not upset others. You are at peace. My eternal love to you. Your little sister. Sheila

Laughing and smiling. Long telephone conversations. Mary Ann always hid her pain and discomfort so as not to upset others. I remember days long ago of eating liver, onions, carrots, and potatoes while talking and laughing at what we were eating. Only sisters could eat that and find pleasure. My eternal love to Mary Ann. You are at peace. My heart is with all of you. Love, your little sister. Sheila
